

## DO YOU HEAR THE FILKERS SING?

Music: Do You Hear the People Sing? From Les Miserables

Lyrics: Morva Bowman & Alan Pollard, 2009

Chorus:

          G                  G  
Do you hear the filkers sing?  
          C                  G  
Singing the songs of crazy fen  
          Em          Am          D  
It is the music of a people who are sleep deprived again.  
          G                  G  
When the bodhran's steady beat  
          C                  G  
Joins with the guitar's gentle strum  
          Em          D                  G  
There is a filk about to last till tomorrow comes!  
          Em                          Bm  
They will sing the songs of dragons and of spaceships and of elves  
          Am  
Songs they learn from other filkers  
          Em  
And the ones they wrote themselves  
          C                                  D  
They'll filk any book that has ever been found on your shelves!

Chorus

Songs of Dorsai or of hobbits, ghastly food or alien dogs  
Songs of strange computer glitches  
Or of evil sentient fogs  
Of gaming disasters and how you can combat Balrogs!

Chorus

So come join us in the filkroom – hear the music down the hall  
You can sing or you can listen  
We have room for one and all  
But careful – once in here you'll never escape from our thrall!

Chorus
