Melody & some lyrics from "Follow Me" by John Denver
Remaining lyrics by Morva Bowman

A E A
It's by far the weirdest thing I've ever done
D G E
To be watching friends and strangers through my 'phone

Refrain:

A D A D
Follow me where I go, what I do, and who I know
A D E
Make it part of you to be a part of me
A D A D
Follow me up and down, all the way and all around
A D E A
Click my link and say you'll follow me

A E D A
Y'know it always on my mind, Although it's a waste of time
D E
When I'm clicking in for updates – who has posted recently
D A D A
It's morning on the west coast – are the folks there up and tweeting?
D G E
Are there blogs to read on LJ? Is your Facebook status new?

(Refrain)

A E D A
You see I'd like to share my life with you, and see you things you've seen
D E
Places you are going to, places where you've been
D A D A
To have you there beside me, and never be alone
D G E
And all the time that you're with me, I'm clutching my damn 'phone!

(Refrain)

A D E A
